

Pillars of Excellence Award Nomination Form

The Georgia City/County Management Association (GCCMA) has this award program to recognize those individuals who have made significant contributions to the advancement of professionalism in Georgia local government by distinguishing themselves through a record of service, or by other actions which demonstrate the essential worth of professional local government management.

The awards committee will accept nominations in two categories; the criteria for each is similar but not identical because category #1 is limited to those persons who are current local government managers and administrators, and category #2 is for non-managers who have nevertheless worked to advance the profession (e.g., range riders, elected officials, etc.). ***Persons making nominations must include a narrative description which addresses each of the five criteria used to select award recipients.***

Category #1 - Criteria for Full Members of GCCMA

Champions professional local government management

Demonstrates a sustained commitment to personal and professional development through training and education

Mentors, coaches, and counsels peers, new managers, prospective managers, and colleagues

Demonstrates a commitment to innovation in professional local government programs

Exemplifies the tenets of the ICMA Code of Ethics during a time of trial, difficulty, or hardship (with specific examples provided)

Category #2 - Criteria for other GCCMA members and non- GCCMA Persons

Champions professional local government management

Helps local government professionals through the provision and promotion of training

Mentors, counsels, and advises managers and elected officials as a reliable resource in promoting professional local management

Provides valuable assistance to managers to enable the implementation of one or more innovative programs

Exemplifies high ethical standards which are in harmony with the spirit of the ICMA Code of Ethics
